Undergarment
Nell Bruner, first; Mrs. Atta Ishaw, second.

Field Selection and Care of Seed

My Dear Sir:

Demonstration proves that intelligent selection of kafir, milo, feterita and sorghum in the field for seed, increases the yield fully one-third, as compared to the methods in common use.

As most farmers know, the crops here mentioned belong to the sorghum family and that they therefore mix readily when grown side by side. By reason of this fact, the purest and best seeds are found in the center rather than at the edges of the field, where closely related crops are grown. Select heads well shaped and compact, rather than those that are loose and open of the "broom corn type."

In kafir heads, the main stem or mid-rib should have several joints or seed bearing stems, and should extend well toward the tip of the head. These seed bearing stems should be short and well filled with seed.

Heads of all the crops named should be selected from medium-sized, thrifty stalks, rather from those that are oversized, or abnormally large. Isolated stalks, grown far apart from other plants, are not the ones from which selections should be made, even if the head does appear attractive. The good head produced under field conditions, where surrounded by many others, is far better.

Do not select heads that may happen to grow near volunteer or chance stalks of any other members of the sorghum family, as they are likely to be mixed.

In all of this southwestern country, earliness is desirable, and it will therefore be found advisable to mark the first heads appearing in the crop, with a string that can be easily seen, so that they may be selected for seed when the crop matures, other things being equal. Be careful to select heads extending well out of boot.

Heads should be selected from the field as soon as fully matured cut with stems only sufficiently long to be tied together and hung from rafters or other convenient places, or they may be placed in gunny sacks and suspended as above indicated. These seeds should be kept in the head until nearly planting time, when they should be threshed by hand. Care should be taken to protect seeds from rats, mice and birds or insects.

Yours very truly,

H. M. BAINER,
Agricultural Demonstrator.

For Sale

One jack, six mares, four coming yearling mules, one coming yearling fly colt, five coming two year old mules and one coming two year old fly. Will sell cheap on two years time. Six miles West, and one North of Clovis.

Saved Girl's Life

"I want to tell you what wonderful benefit I have received from the use of Thedford's Black-Draught," writes Mrs. Sylvania Woods, of Clifton Mills, Ky.

"It certainly has no equal for la grippe, bad colds, liver and stomach troubles. I firmly believe Black-Draught saved my little girl's life. When she had the measles, they went in on her, but one good dose of Thedford's Black-Draught made them break out, and she has had no more trouble. I shall never be without

THEDFORD'S BLACK-DRAUGHT

in my home." For constipation, indigestion, headache, dizziness, malaria, chills and fever, biliousness, and all similar ailments, Thedford's Black-Draught has proved itself a safe, reliable, gentle and valuable remedy.

If you suffer from any of these complaints, try Black-Draught. It is a medicine of known merit. Seventy-five years of splendid success proves its value. Good for young and old. For sale everywhere. Price 25 cents.

Precious Jesus (Gus Herfurth Composer)

Jesus, Jesus, Precious Savior
Thine I will forever be
Gladly following in thy footsteps
Over life's tempestuous sea.

CHORUS

In Thy footsteps, Precious Savior,
Gently lead me all the way,
Till I reach my home in Glory
In the land of endless day.

Jesus, Jesus, Precious Savior,
Oh, how sweet to walk with Thee,

With my heart full of submission
Precious are Thy thoughts to me.

Jesus, Jesus, Precious Savior,
Thy way is the only way
That will lead me on to Glory
And to everlasting day.

Jesus, Jesus, Precious Savior,
Keep me in the narrow way.
Ever leaning on Thy bosom
Where I'll never never stray.

Jesus, Jesus, Precious Savior,
Oh, the joy my heart doth know
Since Thy precious blood has washed me
Made me whiter than the snow.

Tell The Story of Jesus (Gus Herfurth Composer)

Mortal man proclaim the story.
That CHRIST for sinful man has died,

And no way is found to GLORY
Only in the CRUCIFIED.

Ever shout aloud the STORY,
Raise the royal banner high,
Let your life show forth the Glory

Of the mighty ONE on high.

Let us ever be found faithful
No matter what our trials may be,
Jesus never will forsake thee,
He will hear thy humble plea.

We must ever tell the story,
By a life that's free from sin,
And forever cease earth's worry
Casting all our cares on Him.

Beautiful upon the mountain
Are the feet of those that tell
The Story of the lowly Jesus
Who died to rescue man from hell.

CHORUS

Brother, sister tell the story
Of the Christ who shed His blood,
Freely upon Calvary's mountain
To redeem lost men to God.

Baptist Revival

A revival is in progress at the Baptist church this week, being conducted by Rev. H. Jenkins of Roswell. While not exactly a revivalist, Mr. Jenkins is an earnest and enthusiastic supporter of the cause. His message is the gospel of Christ and he is a convincing preacher. He was minister of the Baptist Church in Amarillo for six years and now has a charge at Roswell. His meetings will close the last of the week. Notwithstanding the carnival and minstrel shows, large crowds have gone to hear him each night.

Bargains in Real Estate
